SUPPLEMENT TO REPORT NO. 25X1X

1. On 24 February 1951, the Supply and Service Command of the Central and South China Military Area imported the following purchased articles from Macao: 380 bales of jute bags, each bale containing 100 bags; 1,400 truck tires; 70 cases of automobile parts; 46 cases of telephone sets. These materials were taken to Canton and from there shipped to Hankow.*

2. HCU Ching-fu (程富), a representative of the Revolutionary Military Council in Peiping, arrived in Hong Kong recently. He approached the Chih Ch'eng (智成) ** Company, 353 Des Voeux Road West, First floor, and asked them to buy the following supplies:

- a. Anti-aircraft guns - automatic and with a vertical range of at least 12,000 meters (sic).
- b. 120 anti-tank guns.
- c. Cameras, mostly for aerophotography.
- d. 20-light leading craft.
- e. Medicines, mostly for military use.
- f. Truck tires.
- g. Explosives.

Since most of these articles are unavailable in Hong Kong, the Revolutionary Military Council has decided to send a representative to the Philippines to procure them there and arrange for them to be smuggled to China.

25X1A

25X1A* [REDACTED] Comment. This appears to be the shipment reported in [REDACTED] paragraph 3, with slight discrepancies in numbers and dates.

25X1X* [REDACTED] Comment. This company has in the past accepted many large purchase orders from the Chinese Communists.
